

MAY 2026 NEWSLETTER

Home Maintenance Tips

✓ Service Your AC Unit

Swap out filters and make sure everything is running smoothly before the summer heat kicks in.

✓ Check Your Roof & Seals

Look for any cracks, loose materials, or wear—spring is a great time to catch small issues early.

✓ Clean Gutters & Downspouts

Keeping these clear helps prevent water damage during spring rains.

✓ Walk Around Your Home

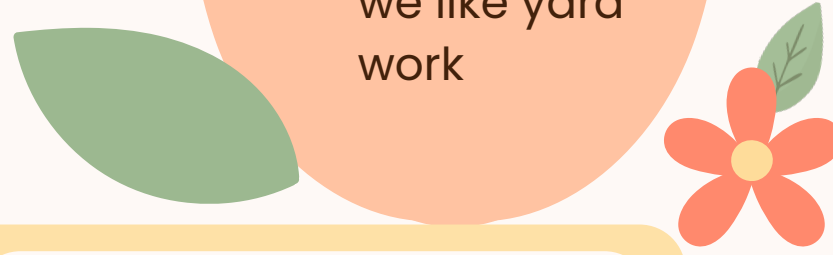

Check skirting, steps, and exterior areas for anything that needs attention.

From Our Team

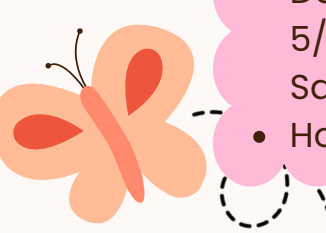

We've been busy this spring helping homeowners with buying, selling, and updates. If you ever have questions or need anything, don't hesitate to reach out—we're always happy to help!
